Sponsoring the 8th Annual Consuls Reception

At WorldBoston, our major sponsors are our year-round partners and institutional members. This year, your Consuls Reception sponsorship includes the opportunity for recognition in a special program book, as the Consuls Reception will be held in conjunction with the 20th International Citizen Award ceremony (which will occur just prior to the Consuls Reception). The two events will share a program book and similar sponsorship levels.

All sponsorship levels include these benefits:

- Recognition as a major supporter and institutional member of WorldBoston in marketing materials and on our website
- Special opportunities for networking, meeting with speakers, and more
- Free admission to regular monthly events
- Tailored opportunities to meet with international leaders in their fields visiting through our Citizen Diplomacy programs
- Partnership with a highly-respected nonpartisan international affairs organization active in Boston for over 50 years
